An Understated Dominance by Marina Vittori Chapter 2146

## **Chapter 2146**

In an instant, sword lights all over the sky burst out, pressing towards Xu Yang like a mountain.

Xu Yang was startled, immediately stopped attacking, sheathed his sword to block.

“Qiang, Qiang, Qiang, Qiang, Qiang...”

Xu Yang kept waving his sword, hitting the overwhelming sword light.

Every time he blocked a sword, he would be knocked back two steps. He was in a hurry and was tired of dealing with it.

“Get out of here!”

Kuang Chao took this opportunity and suddenly stepped forward and kicked Xu Yang in the abdomen.

Xu Yang screamed “Ah” and flew upside down for more than ten meters. He fell heavily to the ground and became a drowned rat.

“Senior Brother Xu!”

Liu Hongxue’s expression changed, and she quickly ran forward and helped the person up.

“Ugh~!”

As soon as Xu Yang stood up, he felt his stomach was churning. Then he opened his mouth and vomited out all the meat and wine he had just eaten.

Looking particularly embarrassed.

“Vulnerable!”

Kuang Chao had a cold face and some disdain in his eyes.

“You...you are taking advantage of others' danger!”

Xu Yang had a sullen face and roared unwillingly: “If I hadn't been injured, how could I have lost to a small character like you?!”

I had a fight with Yayoi Kusama during the day and was seriously injured. Now I can't perform at 70% of my strength. Naturally I am very dissatisfied with losing to the craze.

“If you don't have the ability, you have no ability. You still have to find an excuse. If you don't even dare to admit failure, what future can you have?” Kuangchao sneered.

“you—!”

Xu Yang was choked to the point of being unable to speak. With his stomach churning constantly, he began to retching again.

“Dustin! It's your turn!”

Kuangchao no longer ignored Xu Yang, but cast his provocative gaze on Dustin.

He didn't take a third-rate guy like Xu Yang seriously at all. His real opponent was Dustin, who defeated Yayoi Kusama.

“I don't want to engage in a meaningless fight. If you are here to make a name for yourself, then there is no need to fight. I will admit defeat.” Dustin said calmly.

There are too many people who fight fiercely for fame.
