An Understated Dominance by Marina Vittori Chapter 2159

## Chapter 2159

Kuang Lang didn't waste any time and gave the order directly.

His brother's death cannot be in vain, and anyone suspected must be interrogated.

"Do it!"

After receiving the affirmation, the Blood Crazy Sect disciples immediately rushed forward, scaring the onlookers into scattering.

"Let's see who dares!"

Xu Yang suddenly drew his sword, blocked the front, and roared fiercely: "We are disciples of the Sword Sect. If you, the Blood Mad Sect, dare to act recklessly, you are provoking the entire Sword Sect. Can you afford the consequences?!"

As soon as these words came out, all the Blood Crazy Sect disciples immediately stopped and looked left and right, appearing quite fearful.

If it were an ordinary sect, they would naturally not take it seriously, but the Sword Sect was different.

As one of the three sects of the Dragon Kingdom, the power and prestige of the Sword Sect far exceeds that of the Blood Madness Sect.

Unless absolutely necessary, they would never openly challenge the Sword Sect.

"What about the disciples of the Sword Sect? Killing for life is a matter of course. If you killed my brother, you have to pay the price!" Kuang Lang said coldly.

As he spoke, his hand had already touched the handle of the knife.

Although Jian Zong was powerful, it was not enough to scare him out of his wits.

He must seek justice for his brother's death.

"There is another hidden reason for your brother Kuangchao's death. If it was really us, how could we be stupid enough to send him to your door?" Liu Rushuang said with a serious face.

"Perhaps you are staging a ruse, deliberately using this method to clear yourself of suspicion." Kuanglang guessed.

"Hey! Can you please use your brain? We have no grievances against your brother, so why should we kill him? Who would cause trouble for himself for no reason?" Liu Hongxue couldn't help it.

You can guess with all your toes that this matter is not simple. He screams and kills before he understands anything. He is really a reckless man.

At this moment, Kuanglang suddenly fell silent.

Although he is belligerent, he is not stupid.

The death of his younger brother is indeed very strange, but there is no evidence now, and Dustin is the biggest suspect, so naturally he can't let it go easily.

"If you people from the Blood Madness Sect don't trust us, you can investigate on your own to see what happened last night? It may not be easy to find the murderer, but it should be very simple to prove my innocence." Yan Buqi spoke again .

After Dustin fought with Kuangchao last night, he returned to the restaurant to rest and never went out again.

The staff of the restaurant can testify that as long as people from the Blood Crazy Sect ask around, they can get the results.

"I'm not in the mood to gossip with you here. Nothing will come out of nowhere. Since this kid is the biggest suspect, I must interrogate him clearly!" Kuang Lang said with a cold face.

Hearing this, Dustin suddenly laughed: "First of all, let me make it clear that I am not here because I am afraid of you, but because I don't like to take the blame. Secondly, I have said everything that needs to be said. Whether you believe it or not has nothing to do with me. Want to interrogate me? I'm afraid you're not qualified yet!"

As soon as these words came out, the whole place was in an uproar.

No one expected that Dustin would dare to say such things to Kuang Lang.

Who is Kuang Lang?

That is a master on the list of geniuses, a monster-level existence.

Wouldn't it be asking for death to challenge this kind of person?

"This kid is awesome! How dare you challenge Kuanglang? I really think my life is too long!"

"A newborn calf is not afraid of tigers! It seems he doesn't know how powerful the waves are!"

"Although Dustin defeated the brat Yayoi Kusama and gained some fame, he is still far from being a genius like Kuang Lang!"

Everyone was talking and marveling at Dustin's boldness.

The people who can make it to the list of geniuses are all geniuses who are not seen in a century. The existences that can reach the top of the world cannot be compared with ordinary geniuses at all.

Although Dustin was quite strong, he was far behind compared to Kuang Lang.

The two sides are not on the same level at all.

Dustin's behavior is undoubtedly an egg against a stone.
