

An Understated Dominance by Marina Vittori Chapter 2161

An Understated Dominance by Marina Vittori Chapter 2161

“Anyone who doesn’t want to die, get out of the way! If it happens to Chi Yu later, don’t blame me for not warning you!”

At this time, the disciples of the Blood Madness Sect began to clear the area and prepare for the next battle.

They knew very well how terrifying Senior Brother Kuanglang was. Even the overflowing sword energy was enough to kill someone.

After some shouting, the crowd quickly dispersed.

Within a hundred meters, only Dustin and Kuang Lang were left facing each other in the air.

One is the eighth strongest person on the list of geniuses, and the other is the new dark horse who defeated Yayoi Kusama.

The battle between the two quickly sparked a craze.

Many warriors came after hearing the news and planned to find out.

“Everyone, do you think Dustin can block Kuang Lang’s knife?”

“I see! Kuang Lang is the eighth strongest man on the list of geniuses, a monster-like existence. Since he dares to say this, he is sure to win!”

“That’s right! I was lucky enough to see Kuang Lang’s sword skills once before. It was so shocking that little Dustin can’t stop it.”

“Don’t talk too much. I don’t think Chase Lu will lose. I happened to be at the scene when he defeated Yayoi Kusama yesterday. His strength is also unfathomable!”

“Hmph! How can a mere brat be compared to Kuang Lang? The two sides are not at the same level at all! Besides, the ranking on the Prodigy List says everything. Dustin cannot be Kuang Lang’s opponent!”

“...”

Before the battle even started, the onlookers were already talking about it.

Most people thought that Kuang Lang could easily resolve the battle, but only a few people thought that Dustin could block Kuang Lang’s slash.

“Why are you still standing there? Draw your sword.”

Dustin stood with his hands behind his hands, looking quietly at the wild waves ahead, his expression very calm, without any fluctuation.

“Are you planning to block my knife with your bare hands?”

Kuang Lang looked up and down and found that Dustin didn’t have any weapons on his body, and couldn’t help but ask questions.

“Why not?” Dustin spread his hands.

His calm attitude made Kuanglang frown slightly, and his face quickly turned cold: “Boy! Are you deliberately irritating me? If so, I will make you die miserably!”

“Stop talking nonsense and hurry up if you want to take action. I’m very busy and don’t have time to play with you.” Dustin began to urge.

Such outrageous words once again caused an uproar around him.

This guy really doesn’t know the heights of the world!

Facing a strong man like Kuang Lang, he actually dared to speak so brazenly that he died without knowing how.

“Hehehe...”

Kuanglang laughed angrily: "Boy! You are really crazy! But soon, I will let you understand what the price of arrogance is!"

While speaking, Kuanglang had slowly pulled out the weapon from his back.

His weapon is a broken knife, all black, and looks ordinary.

And its blade is only one inch long, no different from a dagger.

But it was such a broken sword that allowed Kuang Lang to win every battle and never lose.

"Watch out! This knife of mine will kill you!"

Kuang Lang held the handle of the knife with one hand and the back of the knife with the other.

After pausing on the spot for a second, the whole person suddenly ejected and turned into an afterimage and rushed forward.

"Destroy the city!"

Halfway through the rush, Kuang Lang took a deep breath and suddenly swung out the black broken knife.

In an instant, Gang Qi exploded, and a half-moon-shaped black sword light formed out of thin air, and then struck Dustin fiercely with the power of destroying the heaven and the earth.

This half-moon-shaped sword light is more than ten meters long, like a giant blade holding up the sky, it is unstoppable!
