An Understated Dominance by Marina Vittori Chapter 2187

Chapter 2187

Compared to the shock of the onlookers, Niu Mang was more afraid.

The horse king who took Tiger Roar Pills doubled his strength.

The kick he just kicked was even more powerful and unstoppable!

In his opinion, if Dustin didn't dodge, he would only die.

But the result was once again unexpected. Not only did Dustin not die, but he also blocked the attack in an astonishing way.

Directly shocked the whole audience.

"What?!"

"how so?!"

At this moment, the most shocked person was King Ma.

He was already halfway to the master level, and the kick he just kicked had a force of at least 80,000 kilograms. Coupled with the inertial impact of the cauldron itself, it was impossible to stop it without a force of 100,000 kilograms.

Who is this kid in front of me? So scary?

"Kaka...bang!"

Just when everyone was shocked, several cracks suddenly appeared in the bronze tripod in Dustin's hand.

The cracks began to spread rapidly, covering the entire tripod body in just one breath.

The next second, there was only an explosion, and the entire bronze tripod exploded and turned into countless fragments scattered on the ground.

Everyone was dumbfounded again.

Even Dustin was slightly stunned.

This cauldron seems a bit fragile.

“Referee, it has nothing to do with me. I broke this cauldron myself.”

Dustin shrugged, looking innocent.

“...”

The referee’s eyes twitched and he was speechless for a moment.

It would be difficult for an ordinary innate warrior to lift a fifty thousand kilogram cauldron.

The two people in front of me were doing well, kicking the tripod back and forth like a ball, which was a bit excessive.

The most important thing is that the tripod, which was built with a lot of money for testing, was broken into pieces by two people.

How could he explain this to his superiors?

“I’ll pay for this tripod. How much money is needed will be charged to my account.”

At this time, a crisp voice sounded.

Yan Buqi, who only saw a boy and a girl, led Liu Rushuang and others and walked over leisurely.

They had already signed up and were waiting for Dustin in the rest area outside.

After waiting for a while, no one was seen, so they came to find out.

I just happened to see Dustin duel with Ma Wang using a cauldron.

“Who are you?” The referee glanced up and down.

“I am a disciple of Yama Hall, and I will never give up.”

Yan Buqi took out his badge to show his identity, and said at the same time: “Brother Lu is my friend. Whatever he breaks, I, Yama Luodian, will pay for it.”

“Yam Luo Palace?”

Hearing this, many people at the scene became commotion.

Yama Luodian is the top sect after Tianxiahui, Sword Sect, and Wu Gu Sect. Its power in the Dragon Kingdom is slightly stronger than Xuanwu Sect.

Although the Yama Palace is both good and evil and has a bad reputation, few people in the world dare to provoke it.

Because Yama Luodian is very protective of shortcomings, whenever a disciple is wronged outside, he will do whatever it takes to get him back.

“Brother Lu, let’s continue the competition. We’ll take care of it for you, so just go ahead and do it!” Yan Buqi displayed his folding fan and expressed his pride.

What about the Chief Litang of Xuanwumen? In front of the real genius, it is not worth mentioning at all!
