An Understated Dominance by Marina Vittori Chapter 2193

Chapter 2193

“What a good little girl. If I had such a junior sister, I would definitely obey her words!”

Looking at Meng Yao who was kneeling on the ground and kowtowing, everyone pointed and talked with some pity.

After all, they all saw what happened just now. When Ma Wang and Dustin had a conflict, it was Meng Yao who was there to persuade them.

Although he didn't persuade the stubborn horse king, his kind heart was touching enough.

“Junior sister, in my opinion, you should leave the Xuanwu Sect as soon as possible, otherwise you will be in trouble sooner or later if you follow such a senior brother.” Xu Yang advised softly.

“Yes, yes, our Sword Sect is also recruiting people. I think you have good qualifications. Why don't you come to our Sword Sect and give it a try.” Liu Hongxue followed.

However, Meng Yao turned a deaf ear and kept kowtowing to beg for mercy.

She knew very well in her heart that whether King Ma would live or die, it all depended on Dustin's thoughts.

Even though Ma Wang's behavior was a bit excessive, he was her senior brother after all, and she would never leave him alone.

“Brother Dustin, what did you say?” Yan Buqi looked back.

Dustin didn't respond. He held the 100,000-jin cauldron with one hand and threw it forward.

In the astonished eyes of everyone, the heavy bronze cauldron drew a parabola directly in the air and hit the horse king hard.

“Damn it! You really did it to the death!”

“If a 100,000-pound cauldron is smashed, it will turn into meat cakes directly?”

“It’s over, it’s over, that guy from the Xuanwu Sect is dead!”

Seeing the huge cauldron flying up, the whole place was in an uproar.

Everyone believed that Dustin was going to kill them all.

“don’t want!”

Meng Yao’s face changed with fright, and she jumped directly on the horse king, trying to save his life.

It’s just that her behavior, in the eyes of everyone, is undoubtedly like a moth flying into a flame.

“boom!!”

There was a loud noise and the ground shook.

The bronze tripod weighing one hundred thousand kilograms fell heavily, directly creating a big hole in the bluestone floor.

The shock caused gravel to fly and smoke to fly everywhere.

When the dust settled, everyone took a closer look and couldn’t help but be slightly stunned.

The expected bloody scene did not happen.

Meng Yao and Ma Wang were both half lying on the ground, looking a little disgraced.

The giant bronze cauldron, which was like a hill, landed just an inch in front of the two of them.

As long as they move a little further, the two of them will be useless.

Meng Yao was stunned, her pretty face turned pale, and she was a little unable to react.

As for Ma Wang, he was shivering even more, his crotch was wet, and he was so scared that he peed.

“It’s a pity that the throw was not accurate.”

Dustin shook his head, showing a regretful expression.

Then without looking back, he turned and left.

Everyone was left looking at each other, confused for a moment.
