

An Understated Dominance by Marina Vittori Chapter 2212

An Understated Dominance by Marina Vittori Chapter 2212

Chapter 2212

Dustin asked himself that he was well-informed and knew that there were creatures like werewolves and vampires in the Western world.

But he has never encountered a situation like a lion that directly transforms into a beast and becomes a monster, with its strength directly increased by more than ten times.

It can be seen that this mysterious killer organization has an extremely powerful background, otherwise it would be impossible to cultivate so many masters.

“Roar!”

The repulsed male lion showed its bestiality, and its size expanded again, comparable to that of an elephant.

His body was covered in black smoke and full of evil aura.

“boom!”

The lion’s limbs kicked the ground violently, and instantly ejected, crashing into Dustin like a cannonball.

The speed is frightening.

“Wind Slash!”

Dustin held the sword in one hand and slashed five times in front of him.

Five sword lights intertwined with each other to form a large net, pressing towards the lion.

“boom!”

There was a loud bang.

The lion did not dodge, but directly hit the sword net.

The five sword lights shattered on the spot and dissipated into streams of energy.

On the other hand, the beast-turned-male lion was blown away more than ten meters, and then fell heavily to the ground, creating a deep pit.

“Roar!”

The lion rolled up and roared lowly, and the fierce light in the beast’s eyes became stronger.

After the impact just now, the lion was covered in blood and seriously injured.

One of his thick arms was cut off, and three deep sword marks appeared on his chest.

The sword marks were deep enough to show the bones, which would be almost fatal to an ordinary beast.

But to the beast-turned-male lion, it is nothing.

That huge body not only possesses powerful defense, but its recovery ability has also reached a terrifying level.

In just a few seconds, the scar on the lion’s chest not only stopped bleeding, but also healed quickly.

The most terrifying thing is that even the severed arm is growing at a speed visible to the naked eye.

This abnormal resilience is simply terrifying!

“Holy shit! What the hell is this? Can a broken arm grow on its own? It’s so scary!”

“Damn it! This is Xiaoqiang who can’t be beaten to death!”

“When encountering such a monster, I wonder if Brother Dustin can withstand it?”

Seeing the lion's rapidly healing wounds, the warriors were stunned and stunned.

When the Lions were forced to retreat, they felt happy and thought they had a chance.

But now, they have no idea at all.

After transforming into a beast, the lion is not only fast, powerful, and defensive, but also has incredible recovery capabilities.

Anyone who encounters something like this would be a little disappointed.

Now they only hope that Dustin can withstand the pressure, otherwise once this monster goes crazy, the entire special town will be a river of blood!

"What a troublesome guy."

Dustin frowned slightly, looking a little serious.

He really didn't expect that the recovery ability of the lion after turning into a beast would be so terrifying.

Such a serious injury was almost healed in just a few breaths.

If the fight continued like this, he would probably be eaten alive.

"It seems that I have no choice but to leave you alone today."

Dustin shook his head, murderous intent looming in his eyes.

He originally planned to keep the lion alive, capture the lion alive, and then press for some information.

But looking at it now, it is impossible to capture him alive. He can only kill him as soon as possible, otherwise there will be endless troubles.

"Roar!"

By this time, the lion's broken arm had completely grown out.
