An Understated Dominance by Marina Vittori Chapter 2233

### Chapter 2233

“Ah? That’s okay?”

“Didn’t you say that the mountain-moving talisman cannot be shaken? Why did he tear it off with just a slight tug?”

“That’s weird! What did that guy just do?”

Looking at Dustin’s hand Everyone was dumbfounded and amazed at the talisman inside.

The mountain-moving talisman of Longhu Mountain is so prestigious that it is as heavy as a mountain and cannot be shaken by human power.

Once it is forcibly torn up, it will suffer severe backlash.

The previous behavior of Chunhua Qiuyue is the best example.

However, they really didn’t expect that Dustin could go against common sense and tear off the magic talisman easily.

Simply unbelievable.

“What happened? Just tore it off? It seems that the mountain-moving talisman you mentioned is not very good.” Liu Hongxue was stunned, a little surprised.

I thought it was so powerful, but this is it?

“...”

Yan Buqi’s mouth twitched, and he was speechless for a moment.

There is no doubt about the power of the talisman. Except for the disciples of Longhu Mountain, there are only two possibilities for tearing off the talisman.

Either the person who tears the talisman is far more powerful than the person who made the talisman; or he is proficient in Taoist techniques.

Apart from that, there is no third possibility.

Dustin could tear off the talisman paper so easily without causing any disturbance, so he most likely has mastered the Taoist method.

However, these techniques are basically secret techniques and are never taught to outsiders.

He couldn't figure it out, where did rhys learn it?

"Brother Dustin is really powerful. He can even tear off the mountain-moving talisman of Longhu Mountain, awesome!"

After being surprised, Xu Yang couldn't help but give a thumbs up.

Even if he is a good fighter, he is also proficient in various magic arts. Is there anything that his opponent doesn't know?

"It seems that we are still talking about Mr. Lu. I believe he will definitely shine in this martial arts competition." Liu Rushuang showed a rare smile.

She really can't compare to a genius of Dustin's level. Now, she just looks up and appreciates him.

"I have already taken off the talisman, so according to the bet, this person should be mine now, right?"

Dustin held the talisman in one hand and lifted the lion with the other.

"It's interesting. Look, my old man is right. There are hidden dragons and crouching tigers in the world."

After a slight start, Zhang Yiqing quickly laughed: "Originally, I had no interest in participating in this martial arts competition, but when I saw you, I It makes me a little more curious, hoping to meet you in the ring."

"Really? Then I'll be waiting for you." Dustin nodded slightly.

"Let's go home and go to bed."

Zhang Yiqing stretched his waist, turned around and left without any entanglement, very free and easy.

The two Longhu Mountain disciples glanced at Dustin and left immediately.

Although they didn't understand how Dustin did it, they were sure that the other party was not simple.

The junior uncle is used to being a fool, no matter what happens, he always behaves like a salted fish.

This was the first time that they saw that their junior uncle was so interested in someone.

He even thought of competing.

"Brother Dustin, I didn't expect you to have such ability, I'm really surprised!" Dong Qianqiu sighed.

The look in Dustin's eyes seemed to have something extra.
