An Understated Dominance by Marina Vittori Chapter 2253

Chapter 2253

Huang Yinyin's shout attracted many people's attention.

Some warriors who like gambling are even more interested and ready to take action.

It was just that due to Huang Yinyin's status as a saint of the Witch Gu Cult, she didn't dare to step forward for a while.

"Everyone, let me make a sample first!"

Seeing that the things were ready, Xu Yang simply took out a jade pendant, slapped it on the table, and counted it as a bet.

"I am competing against player No. 28 in the third arena. I know this person. He is a disciple of the Jingwu Sect. He is very powerful and has a high chance of winning."

Xu Yang said, picked up the note and wrote the number 28 on it. number, then throw into bowl number three.

In order to show fairness, the participating warriors randomly select their opponents and do not compete in order.

Whoever the referee calls will go on stage. If he is absent or late, he will be disqualified.

"Senior brother, I'll press No. 28!"

Liu Hongxue took out a bottle of elixir from her pocket, placed it on the table, and introduced: "This bottle is a blood-tonifying elixir, which has miraculous effects on treating internal and external injuries."

"Okay, okay, No problem, I can press anything, as long as it has value." Huang Yinyin beamed.

As a banker, she is not afraid of losing money, but she is afraid that no one will bet.

The more she gambles, the more she earns.

“Let me come and play too.”

Yan Buqi took out a sandalwood box and opened it. Inside was a dazzling ruby that looked valuable.

“I beat contestant No. 15 on stage five.”

Yan Buqi wrote the number on the note and threw it into the bowl.

For him, winning or losing is not important, it is purely to give face to the Holy Girl of the Witch Gu Cult and to add some fun at the same time.

It's best if you win, but if you lose, it's just a gem.

It's harmless.

“I don't have anything valuable, only this.”

Liu Rushuang took out a short sword from her waist and put it on the table.

The dagger was one foot long, with a beautifully carved hilt and inlaid gems.

“Sister, this is a sword made of black iron. Are you really willing to bet on it?” Liu Hongxue was a little surprised.

“I don't usually need it anyway, so why not try my luck.” Liu Hongxue's expression was indifferent.

It was enough for her to have a long sword. The extra short sword was the material left over from the original making of the long sword, so it didn't have much effect.

“Sister, who do you plan to win?” Liu Hongxue asked curiously.

“Arena No. 1, Contestant No. 6.” Liu Rushuang answered simply.

“Contestant No. 6?” Liu Hongxue took a look and found that it was a female warrior. She said with some confusion: “Sister, why did you choose her?” ”

Feeling.” Liu Rushuang spoke concisely and to the point.

“Ah this...” Liu Hongxue was speechless for a moment.

This answer is really irrefutable.

“Uncle, do you want to play together?”

Huang Yinyin suddenly looked at Dustin and said with a sweet smile: “Anyway, you are rich and powerful, so it doesn’t matter if you lose.”

“How do you know I will lose?” Dustin smiled lightly: “I’m afraid. You’ll get flustered in a while.”

“Then let’s bet, who is afraid of whom?” Huang Yinyin raised her chin with a look of dissatisfaction.

Dustin smiled, then took out a bottle of elixir from his arms, put it on the table, and introduced: “This is the tiger soul elixir. It can enhance physical fitness, improve cultivation, and help achieve breakthroughs in realm. I will use it.” Come and bet with you.”

“Tiger Soul Pill? It’s really a good treasure!” Huang Yinyin’s eyes lit up and she asked:

“Uncle, who are you going to suppress?”
