#### **Chapter 2276**

“Pick up money? Huh... don’t be too happy too early. It’s still unknown whether No. 13 can win this game.” Liu Rushuang poured cold water on him at the right time.

Like Dustin, she didn’t place a bet just now.

On the one hand, there were too many people and she was too lazy to squeeze in. On the other hand, she felt something was wrong.

Because everything went so smoothly.

Normally speaking, when the opening bookmaker encounters such a losing streak, it should choose to stop losses in time and lose as little as possible.

But the people of the Witch Gu Cult did nothing, and their attitude was still very enthusiastic.

They even provide loan lending services to some gamblers.

There are no precious spiritual stones, right? It’s okay, I’ll lend it to you.

This abnormal behavior made her suspicious.

After all, the Witch Gu Sect is not a charity hall, so how can it be possible to give spiritual stones to people for no reason?

“Senior sister, the strength of Wei Xiu on the 13th is obvious to all. Even if I fight Wei Xiu, I may not be able to win, let alone a little-known little character? From what I have seen, Wei Xiu will be defeated in less than ten moves. We can win.” Xu Yang said confidently.

“Sister! You are just too paranoid. Everyone is betting on Wei Xiu, which proves that Wei Xiu is strong enough and has a high winning rate. Don’t

you think that the vision of so many of us can't compare to yours?" Liu Hongxue was a little dissatisfied. meaning.

"I didn't say that Wei Xiu wasn't powerful, but there are people outside the world, and there is a sky outside the sky. Before the battle is really over, no one can guarantee that Wei Xiu will win 100%." Liu Rushuang replied.

"Don't worry, sister, there will definitely be no problem this time. Look at us, we have already won several games in a row." Liu Hongxue comforted her.

"I'm just reminding you to know how to give up when things get better." Liu Rushuang said helplessly.

"Senior sister, after this round of gambling is over, we will stop if we win one more round." Xu Yang said with high spirits.

"I hope you can continue to win." Liu Rushuang shook her head and said no more.

The two people around him were completely fascinated, and no amount of persuasion was of any use.

At this moment, on the No. 1 arena.

Wei Xiu was ready and slowly opened his stance. His opponent was a man holding a long sword.

The man was of medium build and ordinary appearance. He looked nothing special, but there was a cold glint in his eyes from time to time.

"Who are you? Tell me your name."

Wei Xiu pointed his spear at an angle, looking majestic.

"Northern Territory, Wang Hao."

The man said calmly, without any fluctuation in his expression.

"Wang Hao of the North? You've never heard of it."

Wei Xiu said with an arrogant look on his face: “You are not my opponent, just admit defeat, otherwise, if we fight for a while, we will inevitably lose our hands and feet.”

“Really? Then we will. Let’s see if you have this ability.” Wang Hao remained unmoved.

“I’m giving you a chance, don’t be disrespectful, otherwise once I take action, you will be dead or crippled!” Wei Xiu narrowed his eyes slightly.

“Haha... Then I want to learn your clever tricks today.” Wang Hao smiled coldly and slowly pulled out the sword in his hand.

“Hmph! You’re stubborn! Then don’t blame me for being too cruel!”

Wei Xiu was a little annoyed, stopped talking nonsense, and stabbed him directly with his gun.

This shot is extremely fast, like a dragon swimming out of the sea, and its power is astonishing.
