Chapter 1271

“As long as I defeat all opponents and become the final victor, then Queen Margerina reveals herself, you can unite the various forces in Flandom to besiege Alexander's family!”

That was the plan that Andrius had from the beginning. Margerina's eyes showed a glimmer of hope, but it soon faded away.

“That's a good plan.” Margerina praised, then smiled bitterly. “However, in my current state, it has no meaning even if I reveal my face... This face can't prove that I'm the former queen anymore.”

Margerina's voice was filled with bitterness. Indeed, her once-renowned beauty had been destroyed in an instant. That pain was something that only she could understand.

Andrius was stunned and then asked, “Your Majesty, as far as I know, it would be hard to get everyone to acknowledge you even if you had the exact same face. Does Flandom have other symbols or tokens?”

The words immediately reminded Margerina. She nodded solemnly and said, “There is, Wolf King!” A reminiscing look emerged in her eyes as if recalling a glorious history. “It belonged to the King of Flandom, the King's Scepter!”

“The King's Scepter is the keepsake left by the first king of Flandom to all his successors. Only those with the purest and noblest royal blood can pull it out from the place where it's sealed.

“Father told me this before he left. As long as all the preparations are made, I'll be able to pull out the King's Scepter and command the heroes of Florence.”

The King's Scepter... It sounded rather majestic. Andrius and Noir nodded in agreement.

“Don't, Margerina...” Katalina said tearfully, “Pulling out the King's Scepter requires at least a third of a royal member's blood as sacrifice. You can't endure it in your current state. I don't want you to take this risk!”

Margerina was the only family she had left in this world. If she left...

Katalina did not dare to imagine what kind of despair she would fall into.

“Silly Katalina...” Margerina seemed at ease now that there was a metho Pe siepeti ewes hhc tly, AN clear gaze staring at her sister, and said firmly, “I only have a year left. Why not spare a bit of blood? Visit to read the latest chapter of this novel

“I, Margerina, was once the most beautiful rose in Flandom, renowned worldwide. Even in death, I want to die beautifully and meaningfully!

“I'll offer up my final strength for our homeland and our father.” Her words were filled with resolution and seemed to strengthen her spirit. Andrius silently nodded.
