

## Married At First Sight

**Married At First Sight Chapter 3340**-“Mr. York, it’s not a debt of borrowing money but no money to repay it. So, is it a love debt? I think you’re very kind to that girl. Even though she kicked you, you don’t feel angry.”

Evan didn’t hide his love for Fox. He said, “You guessed it right. I wanted her to become my wife, but it’s a pity that it was a bad start. I’ve known her for three or four months, but I can’t even know her name or address, and I also can’t get her phone number.”

Secretary: “That shouldn’t be the case, Mr. York; you are not only our boss; you are also the fourth young master of the York family. How many girls try their best to get married into the York family? How could that girl not have liked you? Despite the length of time that we have known her, she has not even disclosed her name to you. Could she like lesbians, Mr. York, unless she’s not a normal woman or she’s married?”

Evan glared at his secretary and said, “She cannot be a lesbian.”

It seemed that Fox was unmarried. However, Evan didn’t know if she had a boyfriend.

Could it be that she has a sweetheart? Therefore, when facing Evan, she remained indifferent.

Abby was an arrogant girl, but after he pursued her for a while, she began to feel attracted to him.

Evan said, “I really don’t know if she has a sweetheart, but judging from her, she should be unmarried.”

The secretary asked, “Mr. York, Does she know your true identity?”

Evan said, “I know she is very powerful, almost as capable as the young master of the Bucham family. I don’t know where her information comes from. You have been working beside me since I entered society. Over the years, I have regarded you as a trustworthy friend, so I am telling you this.”

The secretary quickly looked grateful and said, “Thank you, Mr. York, for trusting me.”

Evan said, “I’m just telling you these things. My brothers didn’t say anything. In fact, I also sent people to follow her, and I even followed her personally. The result is that my people always get bagged, get beat up, and get nothing.

I personally attempted to obtain results, but to no avail. It was easy to lose track of her. She is really good at dumping people. I suspect that she may actually be a detective, but there is no evidence to prove that she is a detective.”

Secretary: “This girl is so mysterious.”

No wonder it made them think so hard.

People are mean sometimes. The less you can get, the more you want it, and the better it feels.

“She is very mysterious. If I hadn’t known that Julian has no sister, I would have suspected that she was Julian’s sister.”

They were so powerful and very well informed.

They were either relatives of Julian or detectives. They were well-informed and could easily get rid of anyone who was following her.

“I wanted to invite her to dinner, but she didn’t want to eat, so she just ran away. I don’t know when we can meet again next time.” Evan expressed his disappointment as he walked towards the office.

The secretary yelled behind him, “Mr. York, don’t give up.” It’s rare to find someone you like. You’re going to win her over. Whether we can have a boss lady depends on you, Mr. York.”

Evan turned to his secretary and said, “Thank you for your support. If one day my wish comes true, I will double your bonus.”

The secretary smiled and said, “It would be best to double the year-end bonus.”

“OK.” Evan readily agreed.
