

Married At First Sight

Married At First Sight Chapter 3345-After the meal, except for Mr. Jimenez, several elderly people said they were leaving.

Audrey and her family enthusiastically persuaded them to stay.

Audrey said, "Old Mrs. York will be here soon. She called me and asked me to leave a few seniors behind. She wants to have a meal with some seniors."

The old miracle doctor said, "Big brother hasn't woken up yet, so we left like this. If he wakes up, he will definitely blame us for keeping quiet. If he doesn't make a sound, he will be left behind. Otherwise, we can stay in Wiltspoon for two more days and go back tomorrow or the day after tomorrow."

He also added, "I'm not in a hurry to go back and take care of my grandson. You guys don't have any grandsons yet. Why are you so anxious to go back? When you go back, will you stare at me, and I'll stare at you? How boring."

Audrey answered, "Yes, since I'm here, please stay a few more days so that I can properly thank the seniors for taking care of my loyal uncle. Thanks to the seniors who have taken care of my loyal uncle in the past decades, only then will I have the opportunity to meet Uncle Jimenez again."

They would not accept gold, silver, or jewelry as a reward because they were not short on money. Their apprentices were all the wealthiest from all walks of life. Their money could probably buy two Stone Groups.

All Audrey could do was entertain them well and let them eat, drink, and have fun.

"Master, it's just that we, master and disciple, haven't seen each other for a long time. Now that we have met, Master is in a hurry to leave. I don't even have the chance to treat Master to a meal."

Bianca also helped to retain the master. She will stay at Wiltspoon for two days.

"Then go back in a few days. We have to meet Old Mrs. York. If we don't let Big Brother know that we are back, he will be angry."

Several people decided to stay in Wiltspoon for a few days.

Silver Fox smiled and said to Audrey, "Audrey, I've been bothering you for the past few days."

Audrey and others responded quickly: “Don’t disturb, don’t disturb; it’s our business’s honor. Old Mrs. York will come over later. If she invites you to live in Wildridge Manor, you have to agree and stay there. Let’s repay a few seniors in our Stone family.”

Darrell also echoed Audrey’s words.

The old miracle doctor smiled and said, “We are old friends with old Mrs. York. We have met each other. If we meet again decades later, she will strongly invite us, and we will always go over and sit down. Now that I’m here, my apprentice also asked me to give Camryn a follow-up examination.”

Camryn was a patient of his apprentice, Dr. Carden.

Since he was staying in Wiltspoon for a few days, let’s give Camryn a follow-up visit.

Audrey also knew that many people of the older generation knew old Mrs. York or had heard stories about each other. The old lady really wanted to invite them over to sit down, but she couldn’t stop them, so she smiled and said, “A few of them, Senior, you can stay at Wildridge Manor for two days and stay at our stone family for the rest of the time, okay?”

“Then we’ll stay shamelessly.”

The eldest among them agreed to Audrey’s request.

After deciding to stay in Wiltspoon for a few days, Ezequiel (Silver Fox) poked the cute baby on the forehead and said to her, “Tell me, do you still have me as your master in your eyes? We haven’t seen each other for a long time. I’m old. If you can’t run, you can’t run either.”

“I don’t know if you can go back and see us. What do you think you are busy with? You are so busy every day, and you haven’t found a son-in-law for us to come back. The same goes for your brothers, sisters, and younger brothers. I will be so angry when I see all of you. The young one is single, and the middle-aged one is still single, which is really annoying.”

Bianca giggled, “Master, I think you will live a long life, so I don’t dare to go back and p!ss you off. Master, we are busy making money. Once we make money, we will support our masters in their old age and make money. We have no time to think about personal issues.”
