

Married At First Sight

Married At First Sight Chapter 3349-Evan immediately sat upright and said, "I don't regret it. Brother, nothing's wrong. I'll figure it out myself."

Evan recalled his refusal to follow his grandmother's instructions. He was afraid his brothers would laugh at him and his grandma would say something about him. He decided not to ask Zachary for help, but to find a way to go on by himself.

"When you find the girl, return the items to her. If you do this, you will only ruin other people's good impressions of you. "If you move her with sincerity, you will have a future and be happy."

Zachary imparted his knowledge to Evan, drawing from his own experiences.

Evan responded, "Brother, I understand. Next time she comes to see me, I will return her belongings to her. Brother, are you going back to the city now? I heard the sound of a car."

Zachary: "Well, on the way back to the city."

Evan: "Then I won't disturb you. I will also go back to the company to rest. I have two meetings in the afternoon."

Zachary: "Pay attention to rest; good health is the most important thing."

Evan: "Brother, I can do it."

After the brothers ended their conversation, Serenity asked her husband, "What happened to Evan?"

"The girl he liked came to Wiltspoon, went to look for him, and then left." He didn't catch up with her. He wanted to know her whereabouts, but he didn't have the ability to find her, so he wanted Julian to help. Additionally, Josh's laziness prevents him from showing any concern. He thinks Julian runs a marriage agency and specializes in helping them find wives."

When he and Serenity had conflicts in their relationship, they never used Julian's connections. They would only go to Julian for help in business matters or other difficult situations.

Asking Julian for help with something as trivial as a girl's whereabouts was like killing a chicken with a knife.

Julian took the initiative to use his connections to find the girl's whereabouts, but he only found Kiera, who was his destined girl.

“Josh doesn't want to waste his connections to help him find someone. Didn't you and Jasmine become friends with Abby? Evan doesn't want Abby. You two hold different views about Evan. Josh loves his wife, and he won't do this thing that makes her unhappy.”

Serenity said, “I don't have any objections to Evan. There is no way to force feelings. I can only assert that Evan and Abby have a divine destiny to be together. However, Evan chose that unknown girl. If he wants to know her whereabouts, let him find them on his own. That is his own choice, not something we asked him to do. Outsiders can help with emotional matters; however, he has to rely on himself.”

Even if she suspected that Abby was the unknown girl that Evan fell in love with, without evidence, Serenity would not regard the two as the same person for the time being. What if they didn't?

Even if they were determined to watch a show, she wouldn't say anything.

Grandma and Zachary didn't say anything.

“Just let him find out for himself.” The old lady took over. She asked, “I have so many grandchildren; as long as they are the wives I choose for them, which one will not pursue their wives step by step? Are they unhappy? Seren, you and Zack are the famously happiest couple.”
