

Chapter 1106 A Narrow Escape

As Doug's gaze fell upon his brother Huxley's lifeless form, a red tinge clouded his eyes, betraying the sorrow that gripped his heart.

But before the grief could fully engulf him, a realization struck Doug.

He knew he couldn't afford to wallow in sadness now, and any hesitation would only invite more pain.

With a heavy heart, Doug pushed aside his sorrow, unable even to give his brother Huxley a proper farewell. Dodging the Zephyr Ape's next blow became his immediate priority.

As the situation spiraled out of control, panic rippled through the crowd, sending them scattering in all directions.

Despite its massive size, the Zephyr Ape remained surprisingly agile, a fact both astonishing and terrifying.

The Zephyr Ape closed in on its prey one by one, delivering fatal blows with each thunderous punch.

Fueled by anger at the loss of its life force to Liam, the Zephyr Ape's fury knew no bounds. And amidst the chaos, Liam found himself squarely in the beast's

sights, a target for its relentless rage.

It swung its fist towards Liam, but Liam's quick reflexes allowed him to dodge just in time.

Unfortunately, Doug, standing nearby, wasn't as lucky. The Zephyr Ape's massive fist sent him tumbling into a dark pit.

Rodney's injuries were severe, and he couldn't hold on much longer.

Despite the tension, Liam forced himself to stay calm, wiping the sweat from his forehead as he pondered his next move.

He knew panicking wouldn't help. With no way out, he realized he would be caught eventually if this continued.

At that moment, Liam watched as Rodney made a sudden dash for the Universe Crystal Dew.

Unknown to the others, Rodney had planned this all along.

Knowing the Zephyr Ape's fixation on Liam, Rodney wanted to take advantage of the distraction to make his daring move.

As Rodney dashed towards the Universe Crystal Dew, Liam geared up to follow, but the Zephyr Ape's mighty fist blocked his path.

Thankfully, decked in his vibrant red armor and

bolstered by the Zephyr Ape's life force he had just absorbed, Liam stood firm against the blow.

When the Zephyr Ape pulled back its fist, Liam quickly abandoned his pursuit of the Universe Crystal Dew and sought a chance to escape.

Meanwhile, Laura, alerted by Liam's signal, sprang into action, swiftly rescuing Shayla from danger.

Reaching the Glyn family's camp, Liam wasted no time, swiftly subduing Garrett before hoisting him onto his shoulder for a speedy getaway.

"Let's go!" Liam gestured urgently to Laura for them to run away.

Understanding the urgency, Laura nodded, holding Shayla close as they hurried towards safety.

As the Zephyr Ape geared up to go after Liam, its focus abruptly shifted to Rodney, who was making a break for the Universe Crystal Dew.

With fury blazing in its eyes, the Zephyr Ape roared, "You're courting death!"

In a swift move, the Zephyr Ape abandoned its pursuit of Liam and charged after Rodney instead.

The Zephyr Ape couldn't stomach the idea of Rodney, a human resorting to underhanded tactics, getting his hands on the Universe Crystal Dew.

With Rodney diverting the Zephyr Ape's attention, Liam

and the others reached the outskirts of the field.

Simultaneously, Rodney seized the opportunity to snatch a droplet of the Universe Crystal Dew. But just as he was about to taste victory, the Zephyr Ape's fist came crashing down upon him with alarming speed.

The impact of the blow shattered Rodney's insides, causing him to cough up blood as he was flung backwards, crashing heavily onto the ground.

In an instant, the Universe Crystal Dew Rodney had seized returned to the Zephyr Ape's grasp.

A look of disdain flashed across the Zephyr Ape's face as it sneered, "You fool! How dare you challenge me for this!"

With Rodney out of the way, the Zephyr Ape turned its attention back to chasing Liam and the others.

But to its surprise, Liam and his companions had vanished from Lotus Lake.
