

Chapter 1107 Who Are You

The Zephyr Ape was livid when it discovered Liam and his crew had vanished. It roared so fiercely that the ground around Lotus Lake started to tremble.

Nothing had ever gotten away from it before!

Liam wouldn't be the first!

The Zephyr Ape's roar was filled with rage and the threat of violence. "You won't get away! I've set my sights on you; you're as good as dead!"

But Zephyr Ape didn't rush after Liam right away. It stayed by the Lotus Lake, planning to absorb all the Universe Crystal Dew it could find.

It figured it could hunt Liam down once it absorbed all the Universe Crystal Dew.

The Universe Crystal Dew was a rare prize, and it would draw all sorts of attention. Leaving it behind could mean someone like Rodney would come back to swipe it.

So, with that in mind, the Zephyr Ape shrank in size and slunk into the depths of Lotus Lake to focus on gathering the Universe Crystal Dew.

Meanwhile, Rodney, who had been knocked flat earlier by the Zephyr Ape, was slowly coming to. He

The Universe Crystal Dew was a rare prize, and it would draw all sorts of attention. Leaving it behind could mean someone like Rodney would come back to swipe it.

So, with that in mind, the Zephyr Ape shrank in size and slunk into the depths of Lotus Lake to focus on gathering the Universe Crystal Dew.

Meanwhile, Rodney, who had been knocked flat earlier by the Zephyr Ape, was slowly coming to. He had had some armor hidden under his clothes, and that was what had saved him.

Rodney knew he couldn't take on the Zephyr Ape, so he had no plans to stick around and fight.

That was why he had pulled a fast one, acting dead and lying still on the ground, which had helped him avoid the Zephyr Ape's wrath.

Rodney didn't move until the Zephyr Ape had completely disappeared into the deepest part of the Lotus Lake. Then, he carefully slipped away without a sound.

Once he left the place, he let go of all that fear he had been keeping inside. His face was ghostly white, and he could barely stand up straight. He was obviously in bad shape.

Rodney's mood turned grim. He couldn't believe how things had turned out!

He had played every card he had, but he had been left with nothing but injuries. How could this have happened?

Rodney wasn't blaming himself, though. He muttered, "It's all Kolton's fault! If he hadn't been hiding his true

power, I would've been able to plan better! Yes! It's all his fault! I'm going to make him pay!"

As Rodney ranted to himself, he suddenly recalled that when Kolton was running from the Zephyr Ape, he went out of his way to save Shayla and even grabbed Garrett!

"Hold on! That man might not be Kolton! If he were indeed Kolton, why would he bother rescuing that woman when he was in that much danger? Something doesn't add up! But... Who would take a risk like that to save that woman? I think her name is Shayla..." Rodney muttered.

Rodney's mind was spinning, trying to put it all together.

Out of nowhere, a thought struck him.

"He's level six, and he's connected to Shayla. What if ... He's Liam?"

The thought made Rodney's heart race.

Sure, it was a wild guess, but Rodney felt like it could be true.

He was very thrilled. "It looks like I might be able to recover what I lost in the maritime secret realm! If I spill the beans on Liam's identity, Mr. Jenkins is bound to reward me big time! That should cover all my losses!"

Rodney picked up his pace, more determined than ever to get out of the maritime secret realm alive.

Meanwhile, over in a valley fifty kilometers from Lotus Lake, Liam and Laura finally took a breather.

They had been running full tilt the whole way, and they

were worn out.

Lucky for them, the Zephyr Ape didn't chase after them. Otherwise, Liam knew he and Laura would have been killed by the Zephyr Ape.

Liam casually dropped Garrett on the ground, not bothering to check if he was breathing.

Laura laid Shayla down gently.

Shayla's eyes were full of questions. She couldn't figure out why this random guy and this woman would rescue her in such a dangerous moment.

But Shayla wasn't naive. She knew they had to have some reason for helping her out. Otherwise, they would have just left her to die, seeing as they didn't even know her.

So, Shayla cut to the chase and asked, "Who are you? What do you want from me since you went through the trouble of saving me?"
